About our enterprise

Suzhou Ye Po Textile Co., Ltd. is a vertically integrated knitting enterprise specialising in fashion knit fabrics for women's apparel. Our operations base sits in Suzhou, Jiangsu, with a commercial showroom in Keqiao, Shaoxing — the world's largest fabric market. We combine a large ready-to-ship spot inventory with OEM/ODM development: circular knitting, dyeing, Pantone lab dips and 4-point inspection. Our collections are supplied to garment manufacturers, sourcing offices and independent fashion brands across Europe, North America, South-East Asia and the Middle East.

Why choose us

1. Massive spot inventory & 1-roll MOQ

50+ core products permanently stocked. Trial orders start at 1 roll (25-30 kg).

2. Direct factory value, stable quality

End-to-end quality monitoring keeps grammage and cuttable width consistent batch to batch.

3. Agile customisation & precision lab dips

Pantone colour matching, composition tuning and finishing — lab dips in 3-5 days.

4. International standards & fast sampling

4-point fabric grading; free A4 hand-feel swatches dispatched worldwide.

Technical parameters & quality assurance

Knitting equipment	Multi-gauge high-speed circular knitters (24G / 28G / 32G), fine-rib looms, double-interlock machines
Cuttable width range	150 cm - 185 cm (standard 165 cm for optimal marker cutting yield)
Weight spectrum	140 GSM (lightweight semi-sheer slub) up to 400 GSM (heavyweight winter fleece & velvet)
Dyeing & eco standards	AZO-free reactive dyeing, eco-friendly processes, colourfastness grade 3.5-4.0+
Quality control	4-point visual inspection on every roll before dispatch
Export packaging	Double-layer protective polybag with moisture protection and barcode / custom spec labels

Standardised export ordering workflow

Step 1 — Inquiry & swatch
Select item codes and request free A4 hand-feel swatches or shade cards.

Step 2 — Lab dip / colour confirmation
Choose from stock colourways or provide Pantone TCX/TPG codes. Lab dips in 3-5 days.

Step 3 — Order contract & production
Formal PI issued. Spot goods allocated immediately; custom orders scheduled for knitting.

Step 4 — Inspection & global delivery
4-point inspection report before dispatch. Shipping via Shanghai / Ningbo ports.

Commercial terms & logistics

Minimum order	Spot colours: 1 roll (25-30 kg) | Custom dyeing: 500 kg per colour (trial 200-300 kg with surcharge)
Production lead time	Spot goods: 24-48 hours | Custom production: 10-15 days after lab-dip approval
Shipping ports	Shanghai Port / Ningbo Port — sea, air and rail (Europe-China Express)
Accepted trade terms	FOB, CIF, CFR, EXW, DDP (select destinations)
Payment terms	T/T 30% deposit, 70% before shipment / against B/L copy; irrevocable L/C at sight
Sampling	Free A4 swatch cards and hangers — international freight collect
